

# Government Engineering College, Bharuch

## Voter Awareness Campaign 2014

### Shape tomorrow by voting today

Voter awareness campaign was carried out at Government Engineering College, Bharuch on 9<sup>th</sup> April. The campaign focused on bringing awareness among the youth about their power of vote. There was a special signature session carried out in the college. All the students actively participated in the event to make it a grand success. Special lecture was delivered on topics like importance of voting in the democracy, right to vote, NOTA. Students were very enthusiastic about voting. The first time voters were in asking their doubts. In this way the event marked its success in this very electoral season.

Be bright, vote for what is right!
